Opening Ceremony access

Ticketed and non-ticketed areas

Ticketed area. About 100,000 tickets were sold for the opening ceremony. These are the best places, on the bridge and lower embankment. The closest and best place to watch the ceremony.

Non-ticketed area. About 500,000 spectators are expected in the non-ticketed area on the upper embankment. Although free, you will need to register in advance to access these area.

Is there a minimum age to attend an event during the Games?

No minimum but tickets are reserved for people from 16 and over. Under 16 must be accompanied by an adult (18+). Valid tickets are a must to entering the Games venues.

Arrival to the stadium

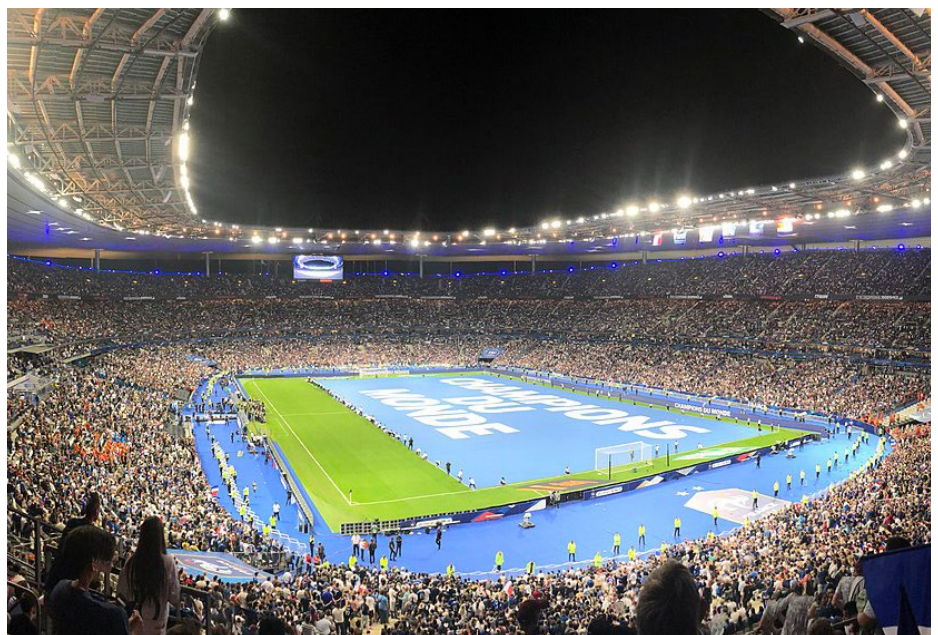

Make sure you arrive about 1.5hrs before your session begins. There will be a lot of security check and waiting times. Prepare for these waiting times so that you may enjoy the competition better.

What is the Connectivity status in Paris? how do I get internet access during the Paris 2024 Olympics?

Pocket Wi-Fi. Pocket Wi-Fi is a separate device with a dedicated SIM card that connect to mobile networks and share internet access on private Wi-Fi. You need then to connect your smartphone to this private Wi-Fi.

You can rent a pocket Wi-Fi for the duration of your stay. Every cost is usually included: the rent and the internet access. You can compare this offer and this offer. The major drawback is the need to recharge this device.

eSIM- eSIM is a virtual sim card that you can download. You can buy an eSim for French network, install it on your phone,

and get instant internet access. It is very convenient. The most reliable supplier in experience is Airalo. ESims are the cheapest and best option overall to get internet access during the Paris 2024 Olympics.

What are the accepted ways for payment at Paris 2024 official physical stores?

As the International Olympic Committee and Paris 2024 Worldwide Partner, Visa is the official way to pay in Paris 2024 official stores. Only payments with a Visa credit card and cash are accepted but cash in Euros as well as other payment services are acceptable.
